

American Association of Sleep Technologists

Supporter Member Program

Together, we can accomplish much more than we can individually.

American Association of Sleep Technologists

Mission

To promote and advance the Sleep Technology profession through the continued development of educational, technical and clinical excellence in sleep disorders.

Vision

To preserve the autonomy and future of the sleep technology profession by providing educational and professional pathways with innovative approaches that promote professional growth and development.

Purpose

To provide a voice for the professionals who ensure the safe and accurate assessment and treatment of sleep disorders.

Values

- Make a difference in the quality of care provided by our members.
- Respond to our members' needs with service programs founded with integrity.
- Provide quality products and services.
- Conduct business in an ethical and professional manner.
- Treat individuals with compassion, respect, dignity and fairness.
- Value individual contribution in an atmosphere of teamwork and collaboration.
- Encourage open communication and welcome diversity of opinions.

The American Association of Sleep Technologists (AAST) Supporter Member Program consists of organizations interested in the advancement of the Sleep Technology Profession and support of the AAST mission and vision. The program aims to provide Supporter Members with an avenue to share information, insights and innovative approaches to improve performance and advance the quality of patients' care.

The AAST provides five levels of Supporter Membership; Platinum, Gold, Silver, Bronze, and Copper, which affords a wide range of benefits to meet your organizational needs. A detailed chart of these membership benefits can be found on the following pages.

The annual membership fees for Supporter Members are:

\$15,000 – Platinum
\$10,000 – Gold
\$5,000 – Silver
\$2,500 – Bronze
\$1,000 – Copper
